

Standard FutureCom™ Keystone Patch Panels 19"

black

CORNING

The FutureCom™ patch panel is universally applicable for all 19" racks. This allows the free user-specific configuration of building and floor distributors. The panel has a conductive front and integrated earthing or grounding points as well as two grounding lashes at the rear of the panel.

Features

- Universally applicable for all 19" racks
- Suitable for all Keystone modules
- Quick mount feature for easy one-person installation
- Conductive front panel
- Integrated cable strain relief
- Two standardised grounding lashes for flat plugs
- Integrated earthing points on the back side
- Port numbering above and below ports
- Space above ports can be used for customised labelling
