

Standard FutureCom™ LANscape® Patch Panels 19"

grey

CORNING

The FutureCom™ patch panel is universally applicable for all 19-in racks and LAN-cabinets. This allows the free user-specific configuration of building and floor distributors.

The front panel is electrically leading. Integrated grounding points are available at the back. Likewise for grounding 2 latches are available for flat connectors. Particularly to emphasize is the simple and fast installation and clicking of the modules into the patch panel.

Features

- Universally applicable for all 19" racks
- Suitable for all LANscape modules (FO and Copper)
- Quick mount feature for easy one-person installation
- Conductive front panel
- Integrated cable strain relief
- Two standardised grounding lashes for flat plugs
- Integrated earthing points on the back side
- Port numbering above and below ports
- Space above ports can be used for customised labelling
- Robust metal construction, grey front
