

Standard FutureCom™ LANscape® Patch Panels 19"

black

CORNING

The FutureCom™ patch panel is universally applicable for all 19-in racks and LAN-cabinets. This allows the free user-specific configuration of building and floor distributors.

The front panel is electrically leading. Integrated grounding points are available at the back. Likewise for grounding 2 latches are available for flat connectors. Particularly to emphasize is the simple and fast installation and clicking of the modules into the patch panel.

Features

- Universally applicable for all 19" racks
- Suitable for all LANscape modules (FO and Copper)
- Quick mount feature for easy one-person installation
- Conductive front panel
- Integrated cable strain relief
- Two standardised grounding lashes for flat plugs
- Integrated earthing points on the back side
- Port numbering above and below ports
- Space above ports can be used for customised labelling
- Robust metal construction, black front

Specifications

General Specifications

Environment	Indoor
Product type	Patch Panels
Product category	Core product / Fastship
Halogen-free	Yes

Design - Hardware

Number Of Ports	24
Colour	black
Height Unit	1U
Housing material	High-grade steel

Standard FutureCom™ LANscape® Patch Panels 19"

black

Mechanical Characteristics

Cut Out	LANscape
Dimensions (L x W x H)	483 mm x 44 mm x 152 mm

Chemical Characteristics

RoHS	Free of hazardous substances according to RoHS 2011/65/EU
Environmental Compatibility	Recyclable

Ordering Information

Part Number	WAXWSV-02408-C001
Product Description	FutureCom™ Patch Panel 19-in, for up to 24 LANscape® or FutureCom™ modules, integrated strain relief, 1U, 24 Ports, black
EAN Code	4042673049913
Colour	black
Height Unit	1U
Weight	0.722 kg
