

FutureCom™ Cable Management Panel 19", 1U

black

CORNING

The LANscape® System offers cable management solutions for all installation options and mounting methods. In order to ensure an arranged and clear execution of the patch cords between the patch panels in the LAN cabinets, Corning offers the LANscape 19" cable management panel as a clean conclusion in LAN cabinets.

By the employment of 19" cable management panels, unused installation levels in 19" cabinets lock cleanly in the simplest way. With five black cable management brackets, the panel provides an arranged and clear patch cord routing into the cabinet interior.

Specifications

General Specifications

Environment	Indoor
Mounting type	Rack 19"
Product category	Core product

Design - Hardware

Colour	black
Height Unit	1U
Housing material	High-grade steel

Mechanical Characteristics

Dimensions (L x W x H)	483 mm x 44 mm x 70 mm
Weight	0.4 kg

FutureCom™ Cable Management Panel 19", 1U

black

Chemical Characteristics

RoHS	Free of hazardous substances according to RoHS 2011/65/EU
Environmental Compatibility	Recyclable

Ordering Information

Part Number	WAXWSW-00008-C007
Product Description	FutureCom™ Cable Management Panel 19", 1U, black
EAN Code	4042673050148
Weight	0.446 kg

Shipping Information

Packing dimensions (L x W x H)	380 mm x 250 mm x 180 mm
Shipping Weight	0.9 kg
Units Per Delivery	1/1
