

EDGE™ Solutions Housing, Fixed

1 rack unit, holds 8 EDGE™ solutions modules or panels

CORNING

EDGE™ FX housings are available in 1U, 2U, and 4U sizes that mount in 19-in racks or cabinets as well as two other housings that can mount in the floor. Combine these housings with the EDGE modules, panels, trunks, harnesses and jumpers to experience an industry-leading solution. The reduced depth of the rack-mount housings allow for the back-to-back installation in 4-post racks or cabinets as well as third-party floor boxes.

Features and Benefits

Universal wired components

Enable moves, adds and changes without polarity concerns; provide a simple migration path between 2-fibre and parallel optic applications

Reduced depth housing

Allows for back to back installation in racks/cabinets, as well as installation in 3rd party floor boxes
